

001888

Key Organizer

Overview

Key Organizer is the ideal solution for every day key management for the residential market. Its unique, stylish and innovative design fully integrates with every home interior.

The three outside cups lets you organize everyday items such as key rings, mobile phones and coins. The concealed, inner cabinet stores backup keys (max. 12) with identification labels.

Use

Open the Key Organizer by pressing the button on the right side.

Applications

Home & office
Simple wall mounted key holding

Standard Features

- Unique, innovative, stylish design for the residential market
- Holds up to 12 keys inside, with identification label
- Outside cups for everyday items (empty your pockets)
